The following information will help you successfully complete the application process. All students planning to take credit classes at the College, full- or part-time, must complete the application. We recommend that you complete the process as early as possible to allow sufficient time for processing, placement testing, advising and financial aid processing. If you have questions regarding the process, please visit the Admissions Office, room 3500, at the Marple Campus, call 610-359-5050, or email admiss@dccc.edu.

Thank you!

APPLICATION INSTRUCTIONS

1. Please complete and return the application, along with the non-refundable \$25 application fee to:

Delaware County Community College, Admissions Office, 901 South Media Line Road, Media, PA 19063-1094

Make your check payable to "DCCC." Applications received without the academic major code, citizenship, high school or GED information (including date), and signature will be returned. This will delay the admissions and registration process. Application fees will not be refunded for lack of course availability or course cancellation, but will be honored for future terms of enrollment.

2. If you previously enrolled at Delaware County Community College and stopped attending for one year or longer, you must submit a re-admit application. Please use the regular application and check the box indicating you are applying for readmission. Returning students do not need to submit another application fee.

TRANSCRIPTS

3. We strongly recommend that all students apply for financial aid. All financial aid applicants are required to submit an official, final high school transcript with the date of graduation and final grades or GED transcript. Financial aid will not be disbursed until all requirements are met, including the official transcript being received by Student Records. High school graduates should contact their high school guidance office to have the transcript sent. GED recipients should contact the Department of Education in the state where they earned the diploma to request a transcript.
4. If you are seeking transfer credit, you must have an official transcript sent from each college you attended. Contact your college Records or Registrar's Office and ask that your transcript be sent to our Records Office. You may be asked to submit your request in writing along with a transcript fee. Transcripts not received directly from a college must be received in a sealed college envelope. To request an official evaluation of your transcript(s), contact Assessment Services at 610-359-5322 and request a petition for transfer credit. Complete the petition and return it to Assessment Services immediately. We recommend visiting students submit official transcripts and transfer their credits to make registering for classes, especially online, easier.

PLACEMENT TEST AND ADVISING

5. Within seven days after we receive your completed application, the Admissions Office will send you an acceptance letter with information about placement testing. The test takes 2 ½ hours. If you are a returning student who previously took the placement test, you do not need to re-take it.

If you successfully completed college-level math and English Composition, you can waive the placement test. We recommend you transfer the credit to Delaware County Community College to facilitate your registration.

SAT or ACT scores may be used for placement in math and/or English courses. Students should have their official scores sent to Assessment Services at the College. The College's school code for the SAT is 2125 and for the ACT is 3542. Scores must be current within 5 years of the student starting classes. To waive the placement test, students must receive the following minimum scores: English/Reading = SAT verbal: 500; ACT verbal: 18

Math = SAT math: 500; ACT math: 20

6. At the placement test session, you should sign up for a college planning session to review your test scores with an advisor and register for classes. If you waived the placement test by returning the card included with the acceptance letter, you will receive a college planning date in the mail. The college planning can last 2 ½ hours and students are advised in the order in which they arrive.

STUDENTS WITH DISABILITIES

7. Students with a documented learning, physical and/or psychological disability seeking reasonable accommodation for placement testing and/or the classroom should contact the Office of Disability Services at 610-359-5229 (v) or 610-359-5020 (TTY). This information will be kept in strict confidence and has no effect on your admission to the College.

SOCIAL SECURITY NUMBERS

- Delaware County Community College is required by federal law to report to the Internal Revenue Service (IRS) the name, address, and SSN for persons from whom tuition and related expenses are received. Federal law also requires us to obtain and report to the IRS Social Security number for any person to whom compensation is paid. Furnishing a Social Security number is voluntary and not required for enrollment; however, failure to provide such information may delay and/or prevent enrollment and/or payment. It is important to note that the College will not disclose a Social Security number for any purpose not required by law without the consent of the student.

FINANCIAL AID AND SCHOLARSHIPS

- If you are seeking financial aid, please include your Social Security Number on your Application for Admission so the College can match this to your Free Application for Federal Student Aid (FAFSA), available online at www.fafsa.ed.gov. For more information, contact the Financial Aid Office at 610-359-5330. The financial aid application process takes time, so please allow at least four weeks to complete. Visit our website at www.dccc.edu to apply for and to learn about scholarship opportunities. Upon reaching our site click on Admissions and Financial Aid, then Financial Aid. There you can view steps to the financial aid process, scholarships, and FAFSA information. **If you wish to obtain financial aid, you must submit an official, final high school or GED transcript.**

SPECIAL ADMISSION PROGRAMS

- If you are applying for Nursing, Respiratory Therapy, or Surgical Technology, you must contact the Admissions Office at 610-359-5050 for information on special application procedures or visit www.dccc.edu/specialapps.
- If you are applying for Municipal Police Training, you must contact the Municipal Police Academy at 610-359-7386 for admission information or visit www.dccc.edu/policeacademy.
- Applicants interested in Technical Studies must contact Assessment Services at 610-359-5322. In the meantime, please select another major code.
- Plumbing Apprenticeship applicants must contact 610-356-4800 for special admission procedures.

- If you are 19 years of age or older and have not graduated from high school or passed the GED, we will consider you for admission on an individual basis. Please contact the Admissions Office for procedures and forms.
- If you are a high school junior or senior and are interested in the College's High School Dual Enrollment Program, please visit www.dccc.edu/highschool.
- If you are a Foreign National seeking a student visa (F-1 or M-1), you must contact the Admissions Office for the application and procedures. If you are a foreign national seeking to enroll part-time, you can complete the regular application. B Visa holders are not permitted to take credit classes.
- If you are a Registered Nurse (RN) applying for Perioperative Nursing, you must contact the Allied Health, Emergency Services, and Nursing Department at 610-359-5285.
- Neurodiagnostic Technology applicants must contact Allied Health, Emergency Services, and Nursing Department at 610-359-5353.
- Visiting students from another college/university should visit our website for registration instructions: www.dccc.edu/visiting.

BACKGROUND CLEARANCES AND MEDICAL RECORDS

- There are a number of programs of study at the College that require background clearances and/or medical records to be submitted before a student can register for certain courses within the program or to be admitted to that program of study. The results of these documents could prevent a student from completing the required courses to earn that degree or certificate. Please consult the College Catalog and/or the appropriate program director/manager for details.

Delaware County Community College is an equal employment and educational opportunity institution conforming to all applicable legislation that prohibits discrimination. The College does not discriminate on the basis of race, color, religion, sex, age, national origin, disability, veteran status, sexual orientation or any other characteristic protected by state or federal laws in its educational programs, activities, admission or employment policies, as required by Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and other applicable statutes. Inquiries concerning Title IX and/or 504 compliance should be referred to Connie L. McCalla, vice president of human resources and Title IX Coordinator, (cmccalla@dccc.edu), 610-359-5094; Betty Brown, associate dean for student success, (bbrown1@dccc.edu), 610-359-5320. Inquiries related to accessibility services for students should be directed to the office of disability services, (abinder@dccc.edu), 610-359-5229.

Delaware County Community College is an Equal Opportunity Employer

Federal law requires colleges and universities to make available information on campus crime rates and security provisions. Copies of this report are available online at www.dccc.edu. Once you have reached Delaware County Community College's website, click on About Us, and then click Safety/Security. You may call the Department of Safety and Security at 610-359-5303 or visit them in person. Colleges and universities also must make available information on graduation, transfer, persistence, and attrition rates for full-time, first time, degree-seeking students. (See student handbook.)
